SUBJECT INDEX

A

- Academic discourse
 - and child language, 261-64
- Acculturation
 - effects on social science research, 287-88
 - and social class studies, 469-71
- Acquisition
 - of language
 - see Child language
 - of second language
 - linguistic studies, 259
- Adaptation
 - and diffusion
 - and archaeological theory, 279
- Adaptation patterns
 - in language change and contact
 - teleological explanations, 369-70
- Adena
 - burial mounds
 - explanations for, 291
- Advertising
 - language structures of
 - linguistic analyses of, 440
- Affines
 - and marriage exchanges
 - in Melanesia, 46-47, 49-50
- Africa
 - Dutch anthropological studies
 - in, 336
 - social class studies in, 476-80, 482, 488-90
 - South-Central
 - Manchester School influence in, 157-79
- African beliefs
 - transformation of in South America
 - and social class studies, 485-86
- Afro-American English
 - and child language studies, 257
- Afterlife
 - belief in
 - and cross-cultural death studies, 386-87, 392-93, 401, 403, 405, 407
- Aggression
 - and anger
 - as grief reactions, 399-400
 - and hypoglycemia, 215-16
- Agricultural development
 - among Barolong
 - and social class studies, 488-90
- Agricultural history
 - and Andean studies, 120-21, 123-28
- Agriculture
 - changes in
 - and diet impact, 233-34
 - effects of climate on
 - in Southwestern archaeology, 314-15
 - and herding
 - comparative rise and development of, 206
 - intensification of
 - and time allocation studies, 529-30
- Akan language
 - and language contact and change studies, 369, 375
- Albanian language
 - and language contact and change, 378
- Alcohol consumption
 - and diet, 206
 - and hypoglycemia and aggression, 216
- Alienation
 - in capitalist societies
 - Italian studies of, 459-60
- Alliances
 - archaeological evidence for
 - in prehistoric Southwest, 320, 322
 - and marriage exchange
 - Melanesian studies, 41-43, 52
- Alores
 - food and psychosocial development studies, 209
- Amazon basin
 - protein availability and settlement patterns
 - time allocation studies, 527, 535
- Ambivalence
 - toward death
 - cross-cultural studies, 393-98
- American Indians
 - prehistoric Southwest
 - see Archaeology, Southwestern
- Americanization
 - of European languages
 - and language change, 381
- American Sign Language
 - and court interpreters, 430
- Anasazi culture
 - of Southwest
 - archaeological research, 306-7, 310-11, 316, 320-24
- Andaman Islanders
 - aspects of death among, 390
- Andean societies
 - survey of recent studies, 119-37
 - contemporary societies, 130-37
 - European colonization, 124-27
 - pre-Columbian background, 119-24
 - republican institutions, 127-30
 - time allocation studies of, 523
- Androgyny
 - in Melanesian societies
 - and exchange studies, 51
- Anger
 - and aggression
 - as grief reactions, 399-400
- Apache
 - funeral rites of, 395-96
- Arabic language
 - and language contact and change, 373, 375, 380-81
- Archaeoastronomy
 - research on, 290
- Archaeological Record Management (ARM)
 - computer data bank, 304
- Archaeology
 - current Andean studies, 132, 136
 - current status, 275-95
 - boundaries, 284-86
 - causality and integration, 279-84
 - conclusions, 294-95
 - explanations, 290-94
 - and history and science, 287-90
 - introduction to, 275-76
 - new archaeology, 277-79
 - flintknapping concepts in
 - see Flintknapping
 - history of discipline
 - effects of social factors, 293

- nutritional assessment
 from bone, 75-92
 Southwestern, 301-25
 Anasazi, 322-24
 assessments and overviews, 302-3
 chronological and paleoclimatic research, 306-16
 chronology and traditional frameworks, 306-12
 data banks, 303-5
 discussion and conclusions, 324-25
 Hohokam culture, 317-19
 introduction to, 301-2
 management concerns, 302-6
 method: planning and evaluation, 305-6
 Mogollon society, 319-22
 paleoclimatological and paleoenvironmental research, 312-16
 prehistoric social systems, 316-24
- Archaic period
 diet during
 and bone studies, 77
- Architecture
 and culture change
 in Southwestern archaeology, 311, 320
- Arctic hysteria
 and calcium deficiency, 215-16
- Arroyo Hondo
 in New Mexico
 archaeological projects at, 302
- Astronomy
 Andean studies, 136
- Attitudes
 and beliefs
 effects on informant accuracy, 505-7
 in physician/client relationships, 423
 toward death
 cross-cultural studies, 388-414
 and Western history, 406-8
- Auschwitz
 medicalized killing at
 and death studies, 392, 410
- Australia
 burial ritual in
 comparative studies, 387-88
 studies of flintknappers in, 194-95
- Australian aborigines
 food scarcity and health risks of, 214
- Australian languages
 and functional theories of grammar, 108-9, 113
 and language contact and change, 375, 378-79
- Authority
 obedience to
 and mass killing, 410
- Avoidance
 of death and dying
 in American culture, 401, 409, 413
 of foods
 and dietary studies, 221
- Aymara
 of Andes
 recent studies, 122, 127-28, 131, 135
 social class studies of, 483-84
- AZSITE
 archaeological data file, 304
- Aztec Ruins National Monument
 archaeological projects at, 302, 323
- B**
- Baktaman
 rituals of, 151-54
- Bali
 political language studies, 351-52
 social class in, 470
- Balkans
 language change and contact in, 378
- Ballcourts
 in prehistoric Southwest cultures, 318, 321
- Bandelier National Monument
 archaeological projects at, 302
- Barium
 in bone
 and nutritional assessment, 80
- Barolong
 of Botswana
 social class studies, 488-90
- Bedtime stories
 and literacy studies, 267
- Behavior
 and attitude
 and informant accuracy, 506-7
 cultural
 and time allocation studies, 519-48
 and material culture
 and archaeology, 276
- Belgium
 time allocation studies in, 521
- Belief
 in spiritual beings and afterlife
- cross-cultural death studies, 386-87, 392-93, 405, 407
- Beliefs
 and attitudes
 effects on informant accuracy, 505-7
 and reasoning about medical treatment
 linguistic analysis of, 423
- religious
 and class consciousness, 484-86
- Belief systems
 and material culture
 problems for archaeology, 282, 290-91
- Bemba
 of Northern Rhodesia
 labor and malnutrition studies, 208, 229
 time allocation studies, 522-23
- Bereavement behavior
 cross-cultural studies, 396-400
 see also Grief
- Bilingual education
 and child language studies, 257-58, 268
- Bilingualism
 and language adaptation
 language contact and change studies, 371-72, 375-76
- Biocultural studies
 of dietary practices, 215-17
- Biomedical culture
 and nutritional diseases
 as culture-bound disorders, 210
- Birth order
 and food allocation rules, 237
- Black English
 and child language studies, 257
 see also Vernacular Black English
- Black Mesa
 in Arizona
 archaeological projects at, 301, 304
- Blacks
 and medical service delivery
 cross-cultural communication problems, 423
 in South America
 and class consciousness studies, 483, 485-86
- Bleeding statues
 of Christ
 in Italy, 458
- Bolinger, Dwight

- influence on functionalist grammar theories, 104-5, 114
- Bolivia**
 - tin miners in
 - and social class studies, 483-85
- Bone**
 - nutritional assessment from
 - see Nutritional assessment
- Bororo**
 - political language studies, 358
- Borrowing**
 - and code-switching
 - linguistics in education, 257
 - and language change, 368, 370-71, 375-77
- Botswana**
 - studies in
 - influence of Manchester school, 158, 161
- Bourgeois culture**
 - Italian research on, 459-60
- Breast feeding**
 - vs bottle feeding
 - and diet studies, 206
- Bridewealth**
 - in marriage exchanges
 - Melanesian studies, 41, 46, 50, 52, 54, 62-64
- Britain**
 - breakdown of ritual in
 - and death studies, 412
 - child language studies in, 259, 262
 - see also United Kingdom
- British social anthropology**
 - critique of, 1-22
 - influence on archaeology, 278-79
- British structuralism**
 - and the Manchester school, 158
- Bwiti cult**
 - metaphoric language of, 358
- Bulgarian language**
